

Scholarship Award for New Students 2025

Due to the late receipt of scholarship results, we were unable to award scholarships to the 2025 freshmen at the annual ceremony. Therefore, we had to organize another small ceremony to award new scholarships to the 25 students who were selected in various ways. Not all the invited guests from Germany were able to attend the event, so only four people participated in the small event. For this Ceremony attended Mr. Samuel Degen, 1.Chairman, Mr. Wolfgang Sprengel, 3rd chairman, Mrs. Helena Winkler, godmother, Mrs. Sabine Sprengel, godmother and cash auditor, as the gushers of Germany.

We admitted 25 new students to the Karlsruhe Scholarship Program this year.

It was a Saturday, so Mr. Samuel and his group also visited the classes at the Karlsruhe Children's Center like below.
