

- Annual Evaluation Programme 2025 -

12th November, is most important day to our center and to the students. As every year, we held annual evaluation programme this year also. We decided to held it during school vacation, because it is very easy for both students and teachers. On decided day, we started our programme at 7.30a.m. First all students marked their attendance and updated their details. Next, as usual we all completed the penance.

For this occasion, we invited few teachers besides our teachers. And also, we invited another reverent Thero also. All of them are very talented, experienced government teachers. Our staff member, Miss.Kanthi address them by invitation of our reverent Thero. She gave advices how to act at the evaluation with students and what are the things we mainly focus on students. After the little conversation we sent them classes.

Student and parents are waited for the teachers.

Evaluation of University students

After 2 ½ hours we gave short break. In this time, we served some short eats and tea for every and each student and parent. The programme lasted for about 5 hours in this way. We completed this year evaluation successfully.
