November 21st of every year is a special day for all of us. Because it is the birthday of our reverent Thero.

He is the great strength of our all chores behind us. He is the great strength of our all chores behind us. He is the captain of our Karlsruhe Scholarship Programme. He is the lamppost who lighten our path. So, it is very important to wish him for his long life and healthy.

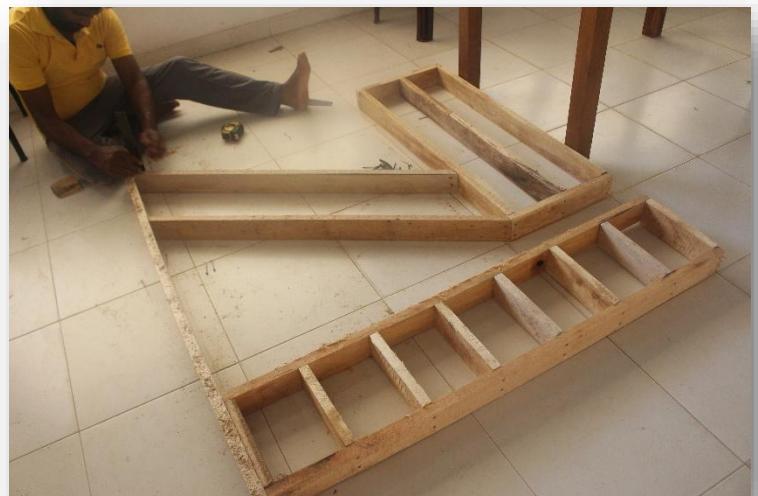

That's why we decided to arrange a special bodhi puja ceremony on his birthday. For that, first our staff gathered and discussed the way we should arrange. So, we arranged flower decorations all around the bodhi tree and decorated all over the temple with light bulbs. And also made a souvenir.

We planned all the ceremony and we shared our plan with our students and parents.

On the targeted day, from the noon we started making decorations. Our students made 6 feet length flower vines with Jasmin and marigold flowers. The parents bought white lotus. They made all other sacrificial materials according to our instructions.

Our IT instructor, Mr.Chathura and one of father, Mr.Dhammadika are made special oil lamp using 71 oil lamps. It means we lighten 71 specials oil lamps which are equal to our reverent's age. We invited ten (10) chief incumbents of near by temples to chanting pirith. They chanted pirith as a blessing for our reverent Thero for a healthy long life.

Finally, we presented the souvenir we made with the gift the KSP staff. And we presented a special gift from the patenkinder Matara e.v. also.
